

JPIC Plan – 3 year forward look

JPIC Mission: Support an integrated Parish Community

We hope to:

- Maintain our current core JPIC services and continue to encourage our Parish to keep “Serving the most in need among us”.
- Continue to educate and raise awareness about Climate Change and our Catholic Response through “Strong solidarity and action”.
- Advocate the principles of living simply and advocate Eco-Friendly practices.
- Encourage support from within our Parish Community towards JPIC initiatives without need for active membership.
- Animate, Communicate, Educate and Evangelise the mission of Pope Francis – Laudato Si & Fratelli Tutti.
- Collaborative approach towards overseeing both Local and Overseas projects and JPIC services including innovative ways of support.
- Explore the digital of the possible in delivering the JPIC mission.
